

How Long is a Freedom Boat Club Membership Contract?

Unlike many traditional club membership programs, Freedom Boat Club does not stipulate a long-term contract or make it difficult to cancel.

Joining the club is easy, and should there be a need to cancel at any time, the exit requirements are equally straightforward and simple.

Most of our clubs have memberships based on a one-year program. However, memberships will continue past the one-year anniversary date unless or until a cancellation notice is provided by the member. Most Freedom Boat Clubs have cancellation clauses that range between 30 to 90 days. In essence, if you choose to cancel your membership, you provide written notification to the originating club requesting a cancellation of the contract within the specified timeframe, and the cancellation will become effective at the conclusion of the required notification period, in accordance to the specific club's established policy.

Please check with the club of interest to ask about their contract terms and cancellation requirements
